AEC 4504
Curriculum & Program Planning for Agricultural Education
Fall 2015
Section 05AF

Instructors
Andrew C. Thoron, Ph.D.
Assistant Professor
307C Rolfs Hall
352-294-1992
athoron@ufl.edu
Office Hours: Mon. & Wed. 10:30-11:30
Or by appointment

Blake Colclasure, M.S.
Graduate Teaching Assistant
310 Rolfs Hall
352-273-2614
bcolclasure@ufl.edu
Office Hours: by appointment

Time and Location
Friday Periods 2-4 (8:30 – 11:45 a.m.) 306 Rolfs Hall
Arranged: 40 hours of observations in a public school with agriculture classes

Course Description
Principles and practices used in designing courses of instruction for effective teaching and total program development.

Course Objectives
At the completion of the course, the learner will be able to:
1. Describe the primary responsibilities of an agriscience teacher.
2. Describe the impact of the three components of the Total Ag Ed program on student learning.
3. Define & design FFA chapter components, SAE programs, and Classroom/laboratory needs.
4. Define & design the mission and goals of an agricultural education program using the Local Program Success model.
5. Develop and follow an FFA program of activities.

Required Texts (Available at the UF Bookstore or other approved vender)

DESCRIPTION OF COURSE ASSIGNMENTS

Early Field Experience Manual
As part of your field observation you will complete several activities. Guidelines for these activities are outlined in the Early Field Experience Manual.

Early Field Observation Journal
Keep a journal of your thoughts and activities completed as part of your field observation. Each visit must be at least 2 hours long and not more than 8 hours. A minimum of 40 hours of observation at a cooperating school and course trips is required for satisfactory completion of this class.

SAE Assignment
During the course, each student will complete a SAE Record Book assignment using the online Agricultural Experience Tracker (AET) system. Each student will be given guidelines to sufficiently manage the AET system to complete record book entries for a mock student. All entries are due by the start of class on September, 25th.
**CDE Presentation**
The CDE presentation will be completed in groups. Group members and a CDE will be assigned by the instructor during class on September 4th. Each group will be responsible for teaching a portion of a Florida CDE to the class. Groups will be given an opportunity to sign-up for a specific presentation date.

**Total Program Visit**
Students are expected to attend an all-day program visit to local SBAE programs in central Florida and participate in a service learning project at the Florida Leadership Training Center (LTC) in Haines City, FL. This is an overnight night (2 day) trip with accommodations at the LTC - November, 13th & 14th. Following the program visits, a written reflection (at least one page - single spaced; double spaced between paragraphs; Times New Roman; 12 pt font; 1 inch margins) will be completed and included in the Early Field Observation Journal.

**Course Quizzes**
Assigned readings and class discussions are important to engagement and understanding in this course. Therefore, four quizzes will be given during the course. The tentative quiz dates are identified in the course calendar below. Regardless, an announcement, one week prior to the quiz, will be made during instructional time. Quizzes will be questions developed from the readings and from class discussions. The format of each quiz may include any or all of the following: short answer, multiple choice, and true/false questions. There will be no make-up quizzes for absences or those attending class late.

**Participation, Attendance, Introduction Sheet, and other assignments**
Developing an understanding of the total agricultural education program requires active participation by every member of the class. On-time arrival and attendance are expected and noted.

**Grading Scale**

- **A = 93-100%**
- **A- = 90-92%**
- **B+ = 86-89%**
- **B = 83-85%**
- **B- = 80-82%**
- **C+ = 76-79%**
- **C = 73-75%**
- **C- = 70-72%**
- **D+ = 66-69%**
- **D = 63-65%**
- **D- = 60-62%**
- **E = below 60%**

*Note: This Web address references the UF grades and grading policies: https://catalog.ufl.edu/ugrad/current/regulations/info/grades.aspx*

**Attendance and Make-up Exams and Assignments**
Students’ class attendance and participation are required. There are a total of 12 class meetings. *Missing more than 2 class meetings will result in failure of the course*. No work will be accepted past the deadline set by the syllabus unless noted by the instructor. No consideration of extending a due date will be considered on the day an assignment is due, students should contact the instructor or assistant if they are expecting to be unable to meet a deadline.
Any time instruction is missed, for any reason, it will count as an absence. College approved field trips, and competitive and leadership development events (with prior instructor approval) are considered legitimate and with proper documentation will not be considered an absence. Seeking an extended deadline due to the above mentioned absences should be arranged before missing the course meeting. In case of emergencies, arrangements for completing assignments should be made immediately upon return to campus.

**Use of technology during instruction**

The use of personal cell phones, ipads, computers, and other electronic devices may only be utilized for instructional purposes. Inappropriate use of these items distracts learning for all individuals and creates an unprofessional environment. Using such devices in an unapproved manner will negatively impact the participation portion of the course.

**Academic Honesty**

In 1995 the UF student body enacted an honor code and voluntarily committed itself to the highest standards of honesty and integrity. When students enroll at the university, they commit themselves to the standard drafted and enacted by students.

The Honor Pledge: We, the members of the University of Florida community, pledge to hold ourselves and our peers to the highest standards of honesty and integrity.

On all work submitted for credit by students at the university, the following pledge is either required or implied: "On my honor, I have neither given nor received unauthorized aid in doing this assignment."

Students should report any condition that facilitates dishonesty to the instructor, department chair, college dean, Student Honor Council, or Student Conduct and Conflict Resolution in the Dean of Students Office.

(Source: 2012-2013 Undergraduate Catalog)

It is assumed all work will be completed independently unless the assignment is defined as a group project, in writing by the instructor.

This policy will be vigorously upheld at all times in this course.

**Software Use:**

All faculty, staff and students of the university are required and expected to obey the laws and legal agreements governing software use. Failure to do so can lead to monetary damages and/or criminal penalties for the individual violator. Because such violations are also against university policies and rules, disciplinary action will be taken as appropriate.

**Campus Helping Resources**

Students experiencing crises or personal problems that interfere with their general well-being are encouraged to utilize the university's counseling resources. The Counseling & Wellness Center provides confidential counseling services at no cost for currently enrolled students. Resources are available on campus for students having personal problems or lacking clear career or academic goals, which interfere with their academic performance.

**Students with Disabilities**

The Disability Resource Center coordinates the needed accommodations of students with disabilities. This includes registering disabilities, recommending academic accommodations within the classroom, accessing special adaptive computer equipment, providing interpretation services and mediating faculty-student disability related issues.

**Florida Educator Accomplished Practices (FEAPs)**

In this course, one or more assignments have been selected at “Key Tasks” that will assess your mastery of knowledge, skill, and/or dispositions that the State of Florida requires of all entry-level educators. These assignments were specifically selected as Key Tasks because they align with the 6 Florida Educator Accomplished Practices (FEAPs).

Your mastery of each Indicator will be measured by your performance on a Key Task. To pass this course, you must successfully complete all Key Tasks and receive a rating of “Developing,” “Accomplished,” or “Exceptional.” No exceptions will be made to this rule, even if you do not plan to practice in Florida after graduation or do not apply for state certification.

Students who receive an “Unsatisfactory” rating will be offered a chance to redo the Key Task or, in some cases, to complete a comparable task assigned by the instructor. Students who do not complete their makeup work satisfactorily will receive a failing grade at the instructor’s discretion.

The rating guide framework below will be used to evaluate your performance on tasks assessing specific FEAP Indicators covered in this course. The language of each FEAP Indicator completes the statements. For more information, please visit the Educator Assessment System Student Portal at: [https://my.education.ufl.edu/](https://my.education.ufl.edu/).

| Exceptional | The candidate extensively integrates knowledge to be able to _________________. The candidate is prepared to apply this skill in a practical setting. |
| Accomplished | The candidate demonstrates knowledge of how to _________________. The candidate is prepared to apply this skill in a practical setting. |
| Developing  | The candidate is acquiring the necessary knowledge to _________________. The candidate is not yet prepared to apply this skill in a practical setting. |
| Unsatisfactory | The candidate demonstrates little knowledge of how to _________________. |

**FEAPs Assessed in this course**

5d – Collaborates with the home, school and larger communities to foster communication and to support student learning & continuous improvement
