DESCRIPTION OF JOB DUTIES

My responsibilities include Extension (50%), Research (35%) and Teaching (15%) functions. Within AEC, I work with other faculty and staff in the Program Development and Evaluation Center (PDEC) to: 1) support Extension state-wide program teams; 2) provide in-service training in program development and evaluation; 3) develop extension publications about program development and evaluation topics; and 4)

assist county faculty and/or provide direct service to extension clientele. My other responsibilities include conducting research in my areas of specialization, teaching in program evaluation and serving on graduate committees. Finally, I provide service to UF/IFAS, the department and to professional organizations.

AREAS OF SPECIALIZATION

The faculty member's areas of specialization are needs assessment and planning non-formal educational programs, survey research methods, evaluation methods, and community and leadership development.
